Partnership Opportunities

Sustainable Living Tasmania is delighted to bring hosting **The Big Day of Circular Ideas** to the C3 Convention Centre, South Hobart on Saturday March 22, 2025.

This event will showcase the existing circular economy practices in our region and promote the principles of Circularity to the community.

Sustainable Living Tasmania invites like-minded businesses and organisations to support this event by taking advantage of one of the Partnership Packages outlined in the pages to follow.

The Big Day of Circular Living Ideas will showcase the principles of circular economy, with exhibitors, speakers and activities demonstrating circular economy principles of:

- Regenerating natural systems
- Repairing, reusing, repurposing, recycling, rethinking design and remanufacturing
- Designing out waste and pollution
- Keeping products and material in use

Exhibitors, speakers, community groups, chefs, entertainers, artists and sustainability enthusiasts will all converge to showcase initiatives, share their experiences and knowledge, participate in panel discussions and facilitate workshops lead by our special guest **ABC's War on Waste host Craig Reucassel**.

Sustainable Living Tasmania invites your business or organisation to partner with us to deliver an outstanding program that encourages our community. to accelerate towards a circular economy together, stimulating ideas and conversations aimed at empowering the community to participate in, and contribute to, our great region going circular.

Partnership opportunities are outlined on the pages to follow. The benefits listed are only the beginning. If you have a special request, do not hesitate to suggest how your business can benefit most from our partnership.

We look forward to working with you!
